

ADIL ALAM

Full Stack Web Developer

Sherghati, Bihar | +91960821167 | alamadil2234@gmail.com | [LinkedIn](#) | [Git Hub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Final-Year Computer Science student with practical, hands-on experience building web applications across the stack. Comfortable working with HTML, CSS, and JavaScript on the front end and Python, SQL, and PostgreSQL on the back end, with three internships and five independent projects that involved everything from API integration to database-driven logic. Quick to pick up new tools and frameworks, and looking for a Full Stack Developer role where I can keep building real, usable software.

TECHNICAL SKILLS

Frontend Development: HTML5, CSS3, JavaScript, Responsive Web Design

Programming Languages: Python, C++, JavaScript

Database: SQL, PostgreSQL, Database Management

Tools & Platforms: Git Hub, VS Code, API integration, Version Control

PROFESSIONAL EXPERIENCE

Full Stack Development Intern – Apex Planet 3 Months. June 2026

- Built and tested full stack features spanning both the frontend interface and backend logic, gaining direct exposure to how production-style web applications are structured end to end.
- Worked alongside the development team on real project implementation, translating coursework concepts into working, deployable code.
- Handled client – side and server – components together, strengthening practical understanding of how full stack applications fit together.

Frontend Development Intern – Pinnacle Labs 2 Months . July 2025

- Implemented responsive, mobile-friendly web pages using HTML, CSS, and JavaScript, ensuring consistent rendering across screen sizes and browsers.
- Converted requirements into clean, well-structured layouts in close coordination with the design team.
- Debugged and refined existing front-end code to improve usability and fix layout inconsistencies.

Python Intern – YBI Foundation 1 Month

- Completed a series of hands-on Python programming tasks and mini-projects covering language concepts and problem-solving exercises.
- Practiced writing clean, logical code under mentorship guidance, with an emphasis on debugging and code readability.

PROJECTS

Portfolio Web site HTML, CSS, JavaScript

- Designed and built a personal portfolio site to present skills, projects, and certifications in a clean, recruiter-friendly format.
- Structured the layout for fast loading and smooth navigation across desktop and mobile devices.
- Organized content into clear sections so visitors can quickly find relevant work without digging through the page.

Weather Dashboard HTML, CSS, JavaScript, Weather API

- Built a weather application that pulls real-time forecast data through API integration and displays it in a clear, easy-to-read interface.
- Added input validation and error handling for incorrect or unrecognized city names to keep the experience smooth for users.

Calculator HTML, CSS, JavaScript

- Created a responsive calculator that handles core arithmetic operations with accurate input handling and a simple, distraction-free layout.
- Tested edge cases such as chained operations and decimal inputs to keep calculations reliable.

CGPA Calculator HTML, CSS, JavaScript

- Developed a tool that calculates semester-wise and cumulative CGPA, cutting down the manual work students otherwise do by hand.
- Built logic to handle multiple semester entries at once and instantly update the overall CGPA as inputs change.

Social Media Hub HTML, CSS, JavaScript

- Built a social platform prototype featuring user profiles and follow/unfollow functionality to practice dynamic UI updates.
- Structured the frontend to mimic real-world social app behavior, including state changes reflected instantly in the UI.

EDUCATION

B. Tech in Computer Science and Engineering Expected 2027

Arya College of Engineering, Jaipur – Affiliated with Rajasthan Technical University (RTU), Kota | CGPA:

7.5

Class 12 – Bihar School Examination Board (BSEB) 64.4%

Class 10 – Auxilium Educational Academy, CBSE 60.4%

CERTIFICATIONS

- PostgreSQL / RDBMS Certificate
- SQL Certificate
- Data Structures and Algorithms (DSA) Certificate
- Advanced C++ Certificate

CORE STRENGTHS

Problem Solving • Teamwork • Communication • Quick Learner • Time Management

LANGUAGES

Hindi • English • Urdu
